

ASSUMPTION OF THE RISK AND WAIVER OF LIABILITY RELATING TO CORONAVIRUS/COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

Colorado Round Dance Association (CRDA) has put in place preventive measures to reduce the spread of COVID-19; however, CRDA cannot guarantee that you will not become infected with COVID-19. Further, attending a CRDA event could increase your risk of contracting COVID-19.

By signing in and attending to this event, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that I may be exposed to or infected by COVID-19 and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at this CRDA event may result from the actions, omissions, or negligence of myself and others, including but not limited to CRDA, volunteers, and event participants and their families.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I may experience or incur in connection with my attendance at this CRDA event ("Claims"). On my behalf, I hereby release, and covenant not to sue, discharge, and hold harmless CRDA, this venue, contracted persons, and CRDA representatives, of and from any Claims, including all liabilities, claims actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of CRDA, contracted personnel, agents, and representatives, whether a COVID-19 infection before, during, or after any CRDA event.
